According to the definition of the Reader's Theater, reading out loud the text with emotion, most of the teams today have done a good job. Comparing with the teams a few years ago, team members today performed far greater and spoke better. Obviously, directors (teachers) and students have been working very hard. For having a better reader's theater, we had better pay attention to what follows. First, read (act) out the dialogues with emotions. Second, songs, chanting and the like should be a natural part of the whole story. Third, please do not shout but sing or/and chant. Fourth, an instructive, not moral-teaching, story is essential to the presentation of a good reader's theater. Last but not least, teamwork matters all. Reading out loud a text with emotions is a good way for strengthening English! Keep on going with the practice.

今天絕大多數的演出都非常的好,比起幾年之前的情況真是好的很多、很多。可以想見,指導的老師及演出的同學都非常用心、努力,呈現出今日的成果。為了精益求精,個人以為好的英居讀者劇場,一、要更注意發音上情感的表現,二、歌唱、繞<sup>吟</sup>等<sup>吟</sup>的加入要自然,和故事的情節相關,三、不要大聲喊叫,而是吟唱!四、經營好一個有教育意涵,卻不是道德教訓的故事演出是很重要的。<sup>最後</sup>唯有團體共同、高度默契的合作,才能完美一個讀者劇場的演出。Thanks. Cheers.
