國立清華大學
NATIONAL TSING HUA UNIVERSITY

International Forum on Bilingual Education

2024.06.13 9:30~15:00

Since 2018, the policy of Bilingual 2030 has been practiced in Taiwan. Over the years, schools in many parts of Taiwan have been implementing the schemes of Content and Language Integrated Learning or English across Curriculum in their program. What subjects have been practiced? What challenges have been faced and what schemes have been adopted? In this international forum, researchers and school practitioners from different parts of the world will share their research results and perspectives on multi/bilingual education and English education. Come and join us in this wonderful event!
